A MESSAGE FROM BISHOP PATRICK:

Our vision for the Diocese of Nottingham is to become a more outward-looking missionary Catholic community. We are currently reorganising our parish and deanery structures, and to ensure we are supported in mission-focused initiatives the Diocese has launched a Mission Enabling Programme. We must also develop a financial plan, one that is well informed and meets our needs. Therefore, after Easter we are commencing a consultative phase, with professional support, to gather opinions from parishioners about our funding strategies. If you are asked, please consider giving your views, through a one-to-one conversation or an at-Mass survey. Please also pray for our mission and for this journey of discernment, that we can share the love and message of Christ more widely.
