Some thoughts from the Bishops of England and Wales about Criminal Justice. A Catholic understanding of criminal justice has three aims: retribution, rehabilitation and redemption. Criminal justice must always prioritise care for victims while seeking the reformation and rehabilitation of offenders into the community.

A well-balanced criminal justice system properly punishes, rigorously rehabilitates, and effectively enables the practice of both justice and mercy to serve the ultimate good of victim, offender and wider society. This can help ensure that somebody convicted of a crime both plays a part in repairing the harm done to the victim and takes responsibility for their actions. National Eucharistic Pilgrimage and Congress, Adoremus, on Saturday 14th September.

The Bishops of England and Wales are hosting a National Eucharistic Pilgrimage and Congress, Adoremus. As well as being part of the Year of Prayer, this will be a continuation of the Eucharistic Congress held in Liverpool in 2018, and a time of preparation for the Jubilee 2025. Information will be made available over the coming months to help all our parishes and communities prepare for this occasion. As we celebrate today the solemnity of Corpus Christi we are invited to marvel afresh at the Real Presence of Jesus Christ in the Blessed Sacrament, Jesus who lives with us always.

A reflection from Pope Francis for the Year of Prayer, on the Twelfth Sunday of the Year:

We are reminded to trust in God's power and live for Christ. This is call to deeper faith and a stronger commitment to following Jesus The disciples' fear during the storm teaches us about our own fears. We often feel overwhelmed by life's challenges.
