Assisted Suicide: a threat to the vulnerable:

a talk being given on Tuesday 15th October at 7pm in Cathedral Hall, Nottingham NG1 5AE by Professor David Jones, explaining why legalizing assisted suicide would be a mistake. MPs will soon be voting on a bill to legalize assisted suicide. The danger of the legalization of assisted suicide within British Isles has never been greater. At the same time, there is more and more evidence from abroad about the harms that follow if the law is changed. Please join us if you are able, or the talk will be live streamed
